During fiscal year 2014-2015, this office received 118 criminal conduct allegation (CCA) cases from law enforcement agencies located in Yuma County. Of those 118 cases submitted for review, criminal complaints have been filed in 58. Another 8 cases remain under review following a request for further information by this office to the submitting agency. Fifty-two cases were declined.

Of the 58 cases charged in fiscal year 2014-2015, 9 were concluded by conviction and 43 remain open, pending resolution. Six were dismissed, post-filing.

Of the 52 cases declined, 47 were due to insufficient evidence and another 2 were declined for felony prosecution but were referred for review as misdemeanors. Also, 2 cases were declined because the alleged defendant had been extradited to another jurisdiction to face similar, requested charges.

Arizona Revised Statute § 8-817(B)(8)(a) requires the County Attorney to also prepare a report following the end of the prior fiscal year that contains the following the number of CCAs investigated in Yuma County and the number of such CCA investigation reports that were jointly investigated with DCS pursuant to our established protocols. Arizona Revised Statute § 8-817(B)(8)(c) also requires that this report indicate the reasons why a joint investigation between a law enforcement agency and DCS did not occur, if such, in fact, did not.

Based on the information provided to this office from all local law enforcement agencies in Yuma County², we report the following:

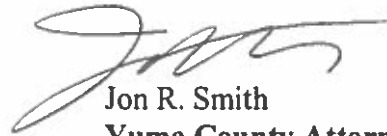

- Number of CCAs Investigated – 131.
- Number of CCAs Jointly Investigated with DCS – 108.
- Number of CCAs not Jointly Investigated and the Reasons Why - 23 (12 – DCS was not available; 11 – events occurred outside the agency's jurisdiction).
